BRINGING THE CITY TO DEN

KIM DAY
AVIATION MANAGER
OCTOBER 18, 2012
Airports like cities are never static. They are constantly evolving in form and function.

John D. Kasarda
Denver’s new airport design from early 1990’s
Room to grow
Compatible growth
$500 million South Terminal Redevelopment Program underway
100 direct jobs
$2 million in annual tax revenues
Gateway Area
40th Avenue Transit Station
Mixed-use transit oriented development
61st Ave Transit Station
Mixed-use transit oriented development
61st Ave Transit Station
Mixed-use transit oriented development
TOGETHER WE SOAR

THANK YOU.
